FL-A002 03/25/15 - FDS Broker Services (FSCO license #12367) offers consumers the opportunity to invest in syndicated mortgages by becoming a lender in Fortress Real Developments projects. All syndicated mortgage transactions are closed by Centro Mortgage Inc. (FSCO Lic #10102), unless specifically noted otherwise. The relationship between FDS Broker Services and Centro Mortgage is governed by a co-brokerage agreement between the two companies. Should you choose to participate in a syndicated mortgage investment product offered by FDS Broker Services, then FDS Broker Services will receive a co-broker fee from Centro Mortgage for facilitating your investment. Terms, conditions, and other loan details vary by project. Please refer to specific loan and project documentation for complete details. Additional information can be found at www.fdsbroker.com. If you have been referred to FDS Broker Services by another licensed Ontario mortgage brokerage or by a duly licensed Ontario mortgage broker or mortgage agent, be advised that the brokerage, broker or agent providing the referral is not employed or licensed by FDS Broker Services. The relationship between FDS Broker Services and the individual or entity providing this referral is governed by a referral agreement between the brokerage, broker or agent and FDS Broker Services for the provision of referral business for investments in syndicated mortgages.
